Recommendation: Major Revision

Comments:

Thank you for the opportunity to read this article. All my comments are intended to improve the quality of the discussed article. I think it has potential but needs to be improved.

Additional Questions:

1. Originality: Does the paper contain new and significant information adequate to justify publication?: Partially.

I would first like to draw attention to the title of the article. In my opinion, it needs to be corrected. In its present form it is hashtag and highbrow but it
